

NHS Rotherham Clinical Commissioning Governing Body

Governing Body

Equality and Diversity

Lead Executive:	Ruth Nutbrown
Lead Officer:	Alison Hague
Lead GP:	Dr Brynes

Purpose:

To approve the EDS2 Summary report and the Equality and Diversity Annual Report 2017/18 to enable it to be published on the CCG website by 31st January 2018 in line with Public Sector Equality Duty.

Background:

Equality and Diversity is central to the work of NHS Rotherham Clinical Commissioning Group (CCG) to ensure there is equality of access and treatment within the services that we commission.

NHS Rotherham CCG is committed to embedding equality and diversity values into its commissioning processes that secure health and social care for our population, and into our policies, procedures and employment practices.

Each year under the Equality Act 2010 we have to publish our annual summary of our approach to inequalities in the form of our Equality Delivery System Report (EDS) and Workforce Race Equality Scheme Report (WRES). Both have been completed and on the CCG Website.

The CCG Public Sector Equality Report (PSED), attached is a summary of how we are meeting our equality objectives and other equality and diversity work undertaken in the CCG. This is not part of Public Sector duties outline under the Equality Act 2010 but is marked as best practice.

Analysis of key issues and of risks

The EDS2 Summary Report enables organisations to outline their EDS2 grades, summary of engagement activity, and the evidence that sits behind the grades, as well as the organisation's equality objectives and headlines of good practice outcomes emerging from EDS2 use.
