

Minutes	Title of Meeting:	NHSR Medicines Management Committee Meeting
	Time:	9.00am
	Date:	Wednesday 20 January 2016
	Venue:	G.02 Cedar Room, Oak House
	Reference:	AG/JAA
	Chairman:	Avanthi Gunasekera

Present: Stuart Lakin (SL) Head of Medicines Management, RCCG
 Avanthi Gunasekera GP
 Ravi Nalliagounder GP
 Alun Windle Safeguarding and Quality Lead, RCCG

In attendance: Judith Wilde Prescribing Advisor, RCCG
 Eloise Summerfield Prescribing Advisor, RCCG
 Julie Abbotts Project Officer, RCCG (Minutes)

	Agenda Items and Action Points	Action
16/16	Apologies	
16/17	Declarations of Interest No declarations were made.	
16/18	Minutes of the Meeting held on 6 January 2016 Minutes were accepted as a true record.	
16/19	Matters Arising 14/22 EPS 2 Rollout – NH 13/194 & 13/206 & 13/363 & 13/380 & 13/400 & 13/443 & 13/495 & 14/53 & 14/70 & 14/82 & 14/99 & 14/112 & 14/132 & 14/146 & 14/179 & 14/195 & 14/212 & 14/226 & 14/245 & 14/263 & 14/276 & 14/289 & 14/307 & 14/313 & 14/330 & 14/347 & 14/364 & 14/382 & 14/396 & 14/413 & 15/04 & 15/16 & 15/30 & 15/46 & 15/60 & 15/75 & 15/88 & 15/102 & 15/117 & 15/133 & 15/148 & 15/160 & 15/171 & 15/187 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19 EPS (Electronic Prescription Service) <u>Historical Information Now Deleted. Last appeared in Minutes dated 06/01/16 – item no 16/04</u> <i>RS said that he had attended a meeting recently in Doncaster with Shivonne Murphy from HSCIC which is the organisation which promotes EPS nationally and she commented that she had learnt more from RCCG and the way they are doing EPS than from anywhere else and this information was better than the information she was giving out to promote EPS. There are a couple of our ideas in particular which she would be using as case studies.</i> <i>SL reported that the next roll out would be Swallownest early in the New Year. Stag had gone live and was going well. No other practices yet booked in.</i>	

	<p><i>Social Enterprise booked in and to go ahead soon if re-awarded the contract.</i></p> <p><i>It was noted that there had been no further developments regarding repeat dispensing. RS reported that the data from December shows the top 3 practices with 77% usage (Brinsworth, Village Surgery and Woodstock Bower).</i></p> <p><i>Need to look at if there is anything practices are doing differently in the area. HSCIC arranging some EPS meetings in the Local Pharmaceutical areas which would be for one day a week for 5 consecutive days, Monday to Friday. Nominations would be discussed at these meetings.</i></p> <p><i>Swallownest now have a kick off date. Dates are arranged for Canklow, Rosehill, Greasbrough and The Gate. There is no interest from other practices as yet.</i></p> <p>SL said that we are almost catching up with Doncaster who have 10 practices not compliant compared with our 9. We have received definite refusals from Kilnhurst and Kiverton Park and are trying to engage with Wickersley. Queens and Broom Valley are not currently engaged.</p>	
	<p>14/161 & 14/181 & 14/179 & 14/195 & 14/212 & 14/226 & 14/245 & 14/263 & 14/276 & 14/289 & 14/307 & 14/313 & 14/330 & 14/347 & 14/364 & 14/382 & 14/396 & 14/413 & 15/04 & 15/16 & 15/30 & 15/46 & 15/60 & 15/75 & 15/88 & 15/102 & 15/117 & 15/133 & 15/148 & 15/160 & 15/171 & 15/187 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19</p> <p><u>Anticoagulation</u></p> <p><u>Historical Information Now Deleted. Last appeared in Minutes dated 06/01/16 – item no 16/04</u></p> <p><i>AG had attended the Anticoagulation Meeting on 27 November 2015 with Dr Taylor where issues re complaints were discussed. Rachel Garrison had also attended the meeting. Nothing new to add. Working on NOAC guidelines with problems envisaged within the Trust. Dr Taylor is planning some specialist training in the Grand Rounds with a guideline for the Hospital to follow. No response received as yet. SL explained that they were planning a joint meeting of the Trust's Drugs & Therapeutics Committee with the Area Prescribing Committee to look at how to manage NOACs. They would also be liaising with the Care Co-ordination Centre to look at sending out Tinzaparin Shared Care Protocols. Need to remind about the Finance pressures. RN feels that the hospital is under pressure to discharge patients and these needs to be monitored.</i></p> <p><i>AG/SL need a discussion around the Anticoagulation Meeting and questions received.</i></p> <p>There are lots of issues. Still grieving over Dr Taylor's pending retirement in March and the need to find out if a consultant will take over the meetings. Chasing up whether they are still doing what they said they were doing about recruiting a Haematologist. There are still problems with some discharges. Another complaint has been received re Tinzaparin shared care. It was agreed that Anticoagulation would be put back on the APC Agenda.</p>	<p>SL/AG</p> <p>JAA</p>
	<p>14/228 & 14/245 & 14/263 & 14/276 & 14/289 & 14/307 Wound Care Project and & 14/313 & 14/330 & 14/347 & 14/364 & 14/382 & 14/396 & 14/413 & 15/04 & 15/16 & 15/30 & 15/46 & 15/60 & 15/75 & 15/88 & 15/102 & 15/117 & 15/133 & 15/148 & 15/160 & 15/171 & 15/187 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19</p> <p>Nutrition/Wound Care Project Updates</p>	

	<p><u>Historical Information Now Deleted. Last appeared in Minutes dated 06/01/16 – item no 16/04</u></p> <p><u>Wound Care</u> Slight slippage with the wound care prescribing with one of the District Nursing Teams in Wath/Swinton proving more difficult due to the number of Barnsley patients. SL has spoken to the Tissue Viability Nurses and Adult Nursing Team regarding the Wound Care Administration Team. Kate will be pulled out of this project and the Trust will need to arrange the management of the Admin Team. Finance working well and cost pressures at moment have been rectified.</p> <p>From March 2016, a Steering Group will be set up to meet every 2 months in order to keep an eye on the project.</p> <p><u>Nutrition</u></p> <p>There are slight concerns about timescales with the Nutrition project. SL explained that a new tender spec is being written for the new financial year. This will mean a block contract will be in place and the dietetics service will be part of a block contract. This is a large project but will mean more stability to the service.</p> <p>SL is currently writing up the Nutrition Service Spec and is hoping to get this finalised by the end of the financial year but there is likely to be some slippage on this. Woundcare Project is in the last phase of roll-out. Kate is currently visiting practices to take off dressings from repeat templates. Project should be complete by the end of February when everyone should be on this.</p>	
	<p>14/391 & 14/396 & 14/413 & 15/04 & 15/16 & 15/30 & 15/46 & 15/60 & 15/75 & 15/88 & 15/102 & 15/117 & 15/133 & 15/148 & 15/160 & 15/171 & 15/187 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19</p> <p>Respiratory/COPD</p> <p><u>Historical Information Now Deleted. Last appeared in Minutes dated 06/01/16 – item no 16/04</u></p> <p>A meeting with John Miles would be taking place after the MMC meeting today and feedback will be given at the next meeting.</p> <p>A meeting has taken place with John Miles and an agreement had been reached regarding the COPD Guidelines – GB will bring the revised guidelines to the next MMC.</p> <p>AG will email GB regarding sharing the guidelines with SL/AG/John Miles/Surinder Ahuja and Osman Chosman at TRFT to ask for their feedback. The guidelines would then be brought back to the MMC meeting scheduled for 9 December. Post Meeting Note - GB has emailed the draft COPD guidelines to JM, SA and OC.</p> <p>SL reported that GB has had no response from Jon Miles regarding these guidelines. AG/SL/GB to discuss and produce an email in the New Year. JK would also mention this at her meeting with Jon Miles.</p> <p>JM has confirmed he agrees with the amended COPD guidelines. It will be uploaded on to the intranet shortly.</p>	<p>GB</p> <p>AG/GB</p> <p>AG/SL/GB</p>
	<p>14/382 & 14/396 & 14/413 & 15/04 & 15/16 & 15/30 & 15/46 & 15/60 & 15/75 & 15/88 & 15/102 & 15/117 & 15/133 & 15/148 & 15/160 & 15/171 & 15/187 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19</p>	

	<p>Epilepsy Shared Care and Perampanel</p> <ul style="list-style-type: none"> • <i>Barnsley Epilepsy Shared Care Guidance</i> • <i>Barnsley Epilepsy SCG Letter Aug14</i> • <i>Barnsley Epilepsy Sign-up Form</i> • <i>Rectal Paraldehyde Supply Guidance</i> <p><u>Historical Information Now Deleted. Last appeared in Minutes dated 06/01/16 – item no 16/04</u></p> <p><i>The Guidelines had now been adapted for Rotherham and SL would email Dr Greunwald to inform him that we would like to adopt the guidelines. Once the guidelines have been agreed, these will be shared with GP's.</i></p> <p><i>SL to email Dr Greunwald.</i></p> <p><i>Currently awaiting a response and agreed to discuss this again in the New Year.</i></p> <p>No update.</p>	<p>SL</p> <p>SL</p>
	<p>15/11 & 15/16 & 15/30 & 15/46 & 15/60 & 15/75 & 15/88 & 15/102 & 15/117 & 15/133 & 15/148 & 15/160 & 15/171 & 15/187 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19</p> <p>Prescribing Responsibility for Transgender Medications</p> <p><u>Historical Information Now Deleted. Last appeared in Minutes dated 06/01/16 – item no 16/04</u></p> <p><i>There is a tenuous agreement with LMC that GPs will take on the prescribing once the SCP is in place. SL has spoken to Sally Kirby about this and he has produced a first draft of the SCP but there are gaps at present. A second draft to be produced in the next couple of weeks, then this will be circulated across South Yorkshire & Bassetlaw. Sally Kirby is to have a discussion with Professor Wiley.</i></p> <p>SL has progressed the SCP as far as he can and it now needs input from Professor Wylie who is currently on sick leave. It is hoped that he will be back at the end of January and SL will then try to move this forward.</p>	<p>SL</p>
	<p>15/11 & 15/16 & 15/30 & 15/46 & 15/60 & 15/75 & 15/88 & 15/102 & 15/117 & 15/133 & 15/148 & 15/160 & 15/171 & 15/187 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19</p> <p>Posters for Waste Management Campaign</p> <p><u>Historical Information Now Deleted. Last appeared in Minutes dated 06/01/16 – item no 16/04</u></p> <p><i>Wakefield are currently interested in copying Rotherham's Waste Management campaign.</i></p> <p><i>The campaign is going very well and we have some good intelligence so far, including a visit to a patient's home planned.</i></p> <p><i>SL has tentatively put forward for some funding to move from the incentive scheme in order to employ pharmacy technicians to work on waste management within practices.</i></p> <p>There has been lots of intelligence received, for example, glucose monitoring sticks/dosage etc which patients are very irritated about. Discussion took place about patients being discharged from the Diabetes Centre with too many vials of insulin and</p>	

	then GPs continue to prescribe at that dose. Work is taking place around the issues raised.	
	<p>15/46 & 15/60 & 15/75 & 15/88 & 15/102 & 15/117 & 15/133 & 15/148 & 15/160 & 15/171 & 15/187 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19</p> <p>Shared Care Protocol for Treatment of Osteoporosis with Denosumab</p> <p><u>Historical Information Now Deleted. Last appeared in Minutes dated 06/01/16 – item no 16/04</u></p> <p><i>The scheme has been approved and Jackie Tuffnell is now looking at costs. Once a payment scheduled has been drafted this will then go to OE and SCE for approval.</i></p> <p><i>Ongoing.</i></p> <p><i>Jacqui Tuffnell is working on this and will provide us with an update shortly.</i></p> <p>Action - AG to chase.</p> <p><i>Yet to hear from JT - SL would chase this up.</i></p> <p><i>Ongoing.</i></p> <p><i>SL would be speaking with Jason Page to look at the payment structures in relation to DMARDS including Denosumab.</i></p> <p><i>This SCP has now been approved. SL has emailed Nicola Peel with a few issues and is awaiting a response.</i></p>	<p>AG</p> <p>SL</p> <p>SL/JP</p>
	<p>15/75 & 15/88 & 15/102 & 15/117 & 15/133 & 15/148 & 15/160 & 15/171 & 15/187 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19</p> <p>Oxygen Therapy</p> <p><i>GB had spoken to a contact at Weston Park and had been advised that GP's need to complete a HOOF to organise oxygen for patients discharged into the community and discussion occurred about this. It was suggested that it might be better for GB to liaise with the Contract Lead at Sheffield CCG (Jane Harriman, Deputy Chief Nurse) to explain the problems which are being experienced and ask if other areas are having similar problems. In the meantime GP's will have to fill out an HOOF.</i></p> <p><i>Post Meeting Note - AG has emailed GB and he has agreed to give an update at the MMC on 9 December.</i></p> <p><i>This was an agenda item.</i></p> <p><i>No update.</i></p>	<p>GB</p> <p>GB</p>
	<p>15/102 & 15/117 & 15/133 & 15/148 & 15/160 & 15/171 & 15/187 & 15/199 & 15/219 & 16/04 & 16/19</p> <p>Improper Use Of Rotherham Minor Ailment Service</p> <p><i>A recent issue was raised which occurred over the recent bank holiday period. The Pharmacy First service is linked to NHS 111 who directs patients to pharmacies who provide the Pharmacy First service. NHS 111 have reported that Boots at Cortonwood have informed them that they cannot provide the Pharmacy First service on bank holidays and weekends due to being too busy.</i></p> <p>Action - A discussion took place and it was agreed to write to this pharmacy and inform them</p>	<p>SL</p>

	<p><i>that the Pharmacy First scheme must be provided to patients at all times during pharmacy opening hours. If the pharmacy is not able to agree to this then the pharmacy will be withdrawn from the scheme.</i></p> <p>More issues have been raised. This causes concerns as this scheme operates on a high level of trust but it is open to abuse. The electronic system for inputting the data should be up and running in the near future and this will allow for more robust monitoring of claims.</p>	
	<p>15/117 & 15/133 & 15/148 & 15/160 & 15/171 & 15/187 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19</p> <p>Clinical Pharmacists in GP Practices</p> <p><u>Historical Information Now Deleted. Last appeared in Minutes dated 06/01/16 – item no 16/04</u></p> <p><i>We have a list of practices that are interested in employing a pharmacist.</i></p> <p><i>JK asked that should we submit a further bid in the coming year, Chris Thompson will be contacted.</i></p> <p><i>The advert is now live on behalf of practices. The advert went live just before Christmas and there has been a great response so far.</i></p> <p>There have been 30 applications so far and another two people have indicated that they will be applying. Closing date is 22 January. SL is meeting with Practice Managers regarding the interview process. There are 7 practices which have shown an interest – a couple more practices have shown interest but it's not currently feasible for them to proceed. Information has been received from applicants who have telephoned that the fact that support has been offered from members of the MMT has encouraged people to apply for the posts.</p>	
	<p>15/133 & 15/148 & 15/160 & 15/171 & 15/187 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19</p> <p>Optimise Rx</p> <p><u>Historical Information Now Deleted. Last appeared in Minutes dated 06/01/16 – item no 16/04</u></p> <p>SL is to meet up with AC/RC about this and thought needs to be given to what outcomes we would expect from this system. LM suggested that SL speak to Joanne at Wakefield to ask for feedback on how the system is performing in Wakefield.</p>	SL
	<p>15/133 & 15/148 & 15/160 & 15/171 & 15/187 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19</p> <p>Traffic Light System</p> <p>After discussion it was agreed that a comment would be added at the side of Ulipristal ie 'is for ore-hysterectomy uterine constriction'. Donepezil is also coming up as Amber and is on GP LES which hasn't been agreed but some GP's are still doing the LES. After discussion it was agreed that Donepezil would be left at Amber with a note to be added ie "GP can initiate under the LES".</p>	JW

	<p>15/136 & 15/148 & 15/160 & 15/171 & 15/187 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19</p> <p>Testosterone Shared Care Protocol</p> <p><i>ES had drafted these and GP's would be asked to perform bloods/review test results. This had been discussed with Jacqui Tufnell re payment for this and she had said that this could be added onto an existing schedule.</i></p> <p><i>SL agreed to email Jacqui Tufnell about this.</i></p> <p><i>Ongoing.</i></p> <p>Action - <i>ES is reproducing this document.</i></p> <p><i>Ongoing.</i></p>	<p>SL</p> <p>ES</p>
	<p>15/137 & 15/148 & 15/160 & 15/171 & 15/187 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19</p> <p>Rotherham Drugs Affecting Bone Metabolism Summary Report 2014/15</p> <p><u>Historical Information Now Deleted. Last appeared in Minutes dated 06/01/16 – item no 16/04</u></p> <p><i>LM is pulling together a report on the observations and finding so far. LM needs to discuss with AG the clinical issues asap. It was agreed that LM and AG meet next Wednesday 30 December for half an hour, but LM would liaise with RN beforehand.</i></p> <p><i>RN requested the need to find out the figures for discharge patients and what medications they are on.</i></p> <p><i>Discharge letters needed to include the reference to fragility fractures for a patient, in order that their ongoing treatment can be monitored, due to their being inconsistencies.</i></p> <p><i>LM agreed to share her report with Dr Kitlowski in order for discussions to take place with Maxine Dennis about finances, which should already be in place with the Trust. JK has emailed MD asking for details of TRFT figures.</i></p> <p>Action - <i>To be added to the agenda of the next meeting, LM was not present to update.</i></p> <p><i>SL explained that Rotherham seem to be under prescribing these drugs. LM is looking into this and undertaking audits at practices.</i></p> <p><i>Ongoing – LM would bring this back to the next meeting. It was suggested that this would then be put forward as a possible LIS Audit for this year. LM will bring recommendations to the next meeting and AG will liaise with JK about this.</i></p>	<p>LM</p> <p>JAA</p> <p>JAA</p> <p>LM</p>
	<p>15/187 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19</p> <p>Tinzaparin SCP</p> <p><i>JP has spoken to Richard Cullen and has had some comments from him. There were questions around the appropriateness of Tinzaparin for a patient from Broom Lane who had been prescribed Tinzaparin as deemed unsuitable for oral anticoagulants. This patient had had bilateral PEs and was on depot antipsychotics for behavioural dementia and therefore at increased risk of bleeding, but there is no less risk by taking Tinzaparin and so appropriateness was questioned. The letter also went onto say that if they are able to take oral anticoagulants</i></p>	

	<p><i>in the future to consider using a NOAC, again with the same risk.</i></p> <p>Action - JP to obtain the patient details for the above patient and pass onto SL. All inappropriate discharges to go to Peter Taylor.</p> <p><i>On the SCP there is no initiation date. There were questions around how GPs will know when the patient has been taking the drug for 14 days to do the blood tests.</i></p> <p>Action - It was agreed that an initiation date needs adding. SL to contact Surinder to get this added.</p> <p><i>This was discussed at the last APC and the Care Co-ordination Centre is now taking responsibility for faxing the completed SCP to GP's.</i></p> <p><i>This issue was discussed under 'Anticoagulation' for discussion at the APC in January. It was noted that there are currently no clinicians attending APC. SL had reported that the APC would be carrying out joint meetings with the Trust's Drugs & Therapeutics Committee.</i></p> <p><i>JK raised the issue of FP10s and it was agreed that this be an agenda item for the January meeting.</i></p> <p>To add to the agenda for the next APC.</p>	<p>JP</p> <p>JP</p> <p>JA</p> <p>JA</p>
	<p>15/187 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19</p> <p><u>Emergency Supplies Scheme to be Extended in Both Availability and in Volumes</u></p> <p><i>This was discussed at length and it was agreed that we would wait until information from the national audit is available. Overall we feel that we will continue the service for bank holiday periods and will look at extending supply to 14 days over the Christmas period. Following the national audit results we will also look at it being activated over every weekend. If we consider this the supply should be over 5 days. More than 7 days were not favoured due to the increased potential for patients to misuse the service.</i></p> <p><i>After much discussion it was decided to supply 14 days of medications on the scheme over the Christmas period.</i></p> <p>Christmas, Boxing and New Year's Day Period: Emergency Supply of Medicines Local Enhanced Service (LES) - RS</p> <p><i>RS said that a letter is due to go out to Community Pharmacies to inform them that there will be a service between 24 December and 4 January. SL said there had been a report discussed at OE recently which mentioned the impact the emergency supply schemes can make. Discussion occurred about this and members agreed that they were happy with their decision to run the scheme for Christmas and Bank Holiday periods only rather than operating it for 365 days per year service and would stick to this unless national guidance/evidence suggested otherwise.</i></p> <p><i>RS said that a recent publications from NHSE, Extending the Role of the Community Pharmacy in Urgent Care, had promoted the same usage of the Emergency Supply Scheme as what Rotherham had adopted ie Bank Holidays only. Matt Auckland from NHSE doesn't know when national data will come out about the scheme but he is going to share this with RS when it does. RS confirmed that CCC/111/Care UK have been reminded about the service.</i></p> <p><i>It was confirmed that Emergency Supplies were up and running and in place for the forthcoming Bank Holiday weekend. There was nothing else for discussion.</i></p> <p>Up to 20 January 2016 seven people had accessed the service over Christmas which was significantly less than last year. There had been incidents with three people who had attempted to access the service. One patient had been refused access to the scheme as</p>	

	<p>the patient had not received the medication in the last three months from that particular pharmacy. A further two patients were told by the pharmacy that the scheme was not running. Once the pharmacies were contacted by NHS 111 the pharmacies realised they were and did end up making the supply. This resulted in some slight inconvenience. SL/RS had recently met with the LMC but the data hadn't been available to share with them – this will be shared at the next meeting.</p>	
	<p>15/189 & 15/199 & 15/219 & 15/232 & 16/04 & 16/19</p> <p>Prescribing Cost Growth 12 Months to June 2015</p> <p><i>SL went through the prescribing cost growth which is 5.8%. This is stronger than desired but is in line with national cost growth rates and predictions made prior to budget setting. Although the prescribing budget is forecast to over spend at year end this should not be a great risk to the CCG.</i></p> <p><i>After discussion the following action items were agreed:-</i></p> <p><i>RS would carry out a piece of work around Pizotifen.</i></p> <p>Antipsychotics - <i>There is a strong cost growth around antipsychotics and proposal was made to switch generics to branded generics. If treatments were switched there is a potential saving of £60K. LM said she was able to obtain of guidelines which could be Rotherhamised. AG agreed to take the suggestion for discussion at SCE.</i></p> <p><i>RS agreed to discuss the potential switch at the next RDaSH MMC and liaise with relevant pharmaceutical companies.</i></p> <p>Buprenorphine – <i>this was discussed and it was agreed that issues would be highlighted at a future PLT ie alternative treatments/products which are available.</i></p> <p><i>Glaucoma prescribing was discussed and it was agreed that this would be taken to the next APC meeting on 28 October 2015 – JAA to add to agenda.</i></p> <p><i>IBS Pathway – Dietetics were showing an interest in taking this on. SL is looking at developing guidelines. After discussion it was agreed that questions would be added to the survey monkey which is being sent out to GP's to ask for their views on this.</i></p> <p><i>Vitamin D – a switching programme is taking place as part of the piece of work that LM is carrying out. AG had recently had a couple of patients who had been asked by their midwife to contact their GP to ask about Vitamin D. It was agreed that LM would look into this issue/look into guidance for midwives.</i></p> <p><i>After running through the cost growth information, AG agreed to ask SCE if they would like SL to present the information at a future meeting.</i></p> <p><i>SL will be attending SCE on 28/10/15.</i></p> <p><i>SL said that he is currently putting together proposals on how to manage the cost growth.</i></p> <p><i>This would be discussed as an agenda item.</i></p> <p><i>MMT had met on 19/1/16 and are putting together themes to try to reverse the cost growth ie diabetic needles, switching branded generics, products for dry eyes etc.</i></p>	<p>RS</p> <p>AG RS</p> <p>SL</p> <p>JAA</p> <p>SL</p> <p>LM</p> <p>AG</p> <p>SL</p>
	<p>15/203 & 15/219 & 15/232 & 16/04 & 16/19</p>	

	<p>QIPP Detail Aid Soluble Prednisolone - August 2015</p> <p><i>Discussion occurred about the fact that soluble prednisolone is 40 times more expensive than non-soluble it was decided that GP's would be made aware of this through a paragraph in Bitesize and SW would also be asked to set-up a pop-up which would alert GP's.</i></p> <p><i>This would be going in Bitesize in November.</i></p> <p><i>This issue had been reported in the Bitesize in November.</i></p> <p>Action - Still to be included in the Bitesize newsletter.</p> <p>Ongoing.</p>	<p>SL</p> <p>SL</p>
	<p>15/204 & 15/219 & 15/232 & 16/04 &16/19</p> <p>Melatonin for Sleep Disorders in Children</p> <p><i>Shared Care will say that prescribing will only be taken over by Primary Care as long as the licenced product "Circadin MR 2mg Tablets" is prescribed by secondary care. Currently the problem is with children who live in the south area of Rotherham being treated by Sheffield who have had a different prescribing policy but the recent Sheffield APG show's STH are moving towards only using the licenced product "Circadin MR 2mg Tablets".</i></p> <p><i>After discussion it was agreed that LM would be asked to develop a patient information leaflet and an information bulletin for GP's – to be actioned within 4 weeks. RS has an example patient information leaflet which he has forwarded to LM. It is then hoped that as many patients as possible can be changed over with the support of secondary care where necessary. It was also agreed that once the policy has been agreed we will write to the people responsible for prescribing in Sheffield with a copy of our policy. The policy will also be shared with Christine Harrison/Surrinder Ahuja at TRFT.</i></p> <p><i>LM is working on this and will be re-writing the SCP, looking at licenced products and switching patients.</i></p> <p><i>This would be discussed as an agenda item.</i></p> <p>On-going.</p>	
	<p>15/205 & 15/219 & 15/232 & 16/04 &16/19</p> <p>Amiodarone SCP January 2014-17</p> <p><i>AG told members that Dr Cole had suggested that a SCP for Amiodarone be developed, however, there are only 174 patients in Rotherham who are being prescribed this drug. It was agreed that RS would look at the Sheffield SCP and this would be Rotherhamised. RS to discuss with SL.</i></p> <p><i>Ongoing – discussion occurred about this and it was agreed that a one page Monitoring Guidance document be produced – RS would forward this to AG and she would discuss this with a Cardiologist at the hospital. Amiodarone would be rated Amber with monitoring guidance. When complete a paragraph would be placed in Bitesize and the guidance would be filed with Top Tips.</i></p> <p><i>This would be discussed as an agenda item.</i></p>	<p>RS/AG</p>

	<p><i>LM reported that the current SCP was out-of-date and that discussions were required with GPs and secondary care regarding patients with sleep disorders. One of the key issues is where some young adults at the age of 18 who are currently on Melatonin are discharged without continuation of their medication. AW raised the issue that the continuation of care for SEND patients can carry on up to the age of 25 years.</i></p> <p><i>It would be necessary to look at the SCP to discuss with paediatricians regarding their directions to GPs for continuation or review of medication and this would need to link into the RDaSH guidelines. Need an overarching policy with clear guidance of reviews for these patients to include both TRFT and RDaSH.</i></p> <p><i>LM agreed to liaise with Emma Royle, Christine Harrison and the psychiatrist leading on sleeping disorders, to discuss this issue and the roles and responsibilities.</i></p> <p><i>It was suggested that a meeting could be arranged for the end of the APC meeting in January.</i></p> <p>No update.</p>	
	<p>16/04 &16/19</p> <p>Migraine Prophylaxis Guidance</p> <p><i>This guidance was to form part of the headache pathway. SL asked for ratification of this guidance for inclusion in the Top Tips. The group agreed this guidance. RS agreed to double-check the specific details of the drugs within this guidance.</i></p> <p>No update.</p>	RS
	<p>16/06 &16/19</p> <p>Opioid prescribing resource</p> <p>Action - To be discussed at the next meeting.</p>	JAA
	<p>16/08 & 16/19</p> <p>What not to prescribe list</p> <p><i>Wakefield have a scheme whereby GPs have a 'What not to prescribe list' to stop them from routinely prescribing certain medications such as Paracetamol, Co codamol and Glucosamine. There is a poster campaign asking GP's not to prescribe the items on the list and informing patients.</i></p> <p><i>There were questions around whether this was a possible idea for Rotherham. RC Suggested that this is taken to the member's group meeting.</i></p> <p>Action - SL to ask Wakefield for their materials and come up with our own list for Rotherham. This is to be taken to the member's group meeting, and the medicines management team are to visit PPGs at practices to discuss and get patient's feedback around this idea.</p> <p><i>RC raised concerns with regards to the current Pharmacy First scheme. If the 'What not to prescribe list' went ahead, patients would potentially go to the pharmacy instead to have the medicines prescribed free of charge via the Pharmacy first scheme. This would still mean that the NHS would have to pay for product costs and a consultation fee to the pharmacy. This would be looked into before deciding to go ahead.</i></p>	

	Agenda Item.	
	AGENDA ITEMS	
16/20	<p>Rotherham Drugs for Dementia Summary Report Quarter 2 – 2014/15</p> <p>SL went through this document and the following points were highlighted:-</p> <p>Dementia drug prescribing data was discussed and Rotherham’s prescribing data was compared to Doncaster CCGs and North Lincolnshire as all three CCGs obtain their dementia services from RDaSH.</p> <p>Rotherham has the second highest dementia prescribing cost per patient whereas Doncaster and North Lincolnshire have prescribing costs in line with the average for England. Rotherham also has the second dementia drug usage as measured by ADQ/dementia patient.</p> <p>SL stated that the MMT were presenting this data at the RDASH Medicines Management Committee and requesting explanations for the differences in prescribing between the three CCGs.</p> <p>RDASH are working with the Rotherham MMT to address these issues and dual dementia drug prescribing had already been addressed - we are now looking at Rivastigmine patches as the cost difference between oral dosage and patches is significant and neighbouring CCGs do not appear to have to use these products to such a degree.</p> <p>RN - we also need to consider the influence the Parkinson nurses have on Rivastigmine patch prescribing.</p>	
16/21	<p>Rotherham Diabetes Summary Report Quarter 2 – 2015/16</p> <p>SL went through this document and the following points were highlighted:-</p> <p>SL explained that the CCGs Diabetes Guidelines would require updating in line with the recent NICE diabetes guidance, however, there would be no major changes as the CCGs current guidelines were almost in accordance with NICE. However, the new NICE HbA1c targets were going to be challenging.</p> <p>The comparative prescribing data - it was noted that Rotherham had changed its position on the scatter plot and was now in the high prescribing cost - low hospital admission quadrant. Rotherham had for years been firmly placed in the high prescribing cost – high hospital admissions quadrant. It was thought that this rapid change in position on the scatter graph was most probably due to changes in how TRFT was coding admissions.</p> <p>Rotherham’s high insulin costs and use were observed. The waste medicines project has uncovered significant over ordering of insulin and an audit is planned. Revised guidelines are also going to be launched for Self Blood Glucose Monitoring and a needle</p>	

	<p>switch scheme is going to start in March 2016.</p> <p>SL would bring the new NICE Diabetes Guidance to the MMC by the end of February.</p>	SL
16/22	<p>SOP Oxygen Removal - 100% Users</p> <p>Medical Physics have produced a Safe Oxygen Procedure re oxygen removal and this was discussed and it was felt that the wording was fine. This now needs to go to the Clinical Referrals Management Committee for approval and will then be taken back to the Medical Physics Department.</p>	
16/23	<p>Rotherham Antibacterial Summary Report 2015/16 Quarter 2</p> <p>As usual the volume of antibiotics prescribed is in-line with the average for Y&H but we have the second highest costs. This is due to a high Nitrofurantoin use to treat UTIs instead of Trimethoprim, however, this pattern of prescribing reflects local microbiology advice and sensitives.</p> <p>Rotherham continues to have relatively low prescribing rates of Cephalosporin's and Quinolone antibiotics which is good. However, the prescribing of Co-amoxiclav is decreasing which is a positive and this will also reduce costs.</p> <p>The prescribing of topical antibiotics is significantly higher and it is disappointing that Minocycline use is now in-line with the national average where Rotherham was significantly below the average in previous years</p> <p>JP will examine both of these uses and report back to MMC .</p>	JP
16/24	<p>Vitamin D Patient Information Leaflet – Draft</p> <p>This was discussed and LM said that she had sent this to Helen Wyatt who had agreed this leaflet with members of her patient groups. After discussion it was felt that the wording of the leaflet was fine and read well but slight changes to the graphics needed to be made and then it would be ok.</p>	
16/25	<p>RCCG Vitamin D Prescribing – LM</p> <p>We have currently got a £170K growth in Rotherham. Regarding patients who have been treated and gone back to normal levels we are looking at adding to the “Do Not Prescribe List”. Discussion took place about whether we should treat patients to bring them back into the normal range and then issue them with a leaflet regarding self treatment. LM is currently looking into costings compared to last year and will then be carrying out a consultation exercise with Helen Wyatt ie talking to patient groups to seek their views about this ie showing cost of prescribing compared with purchasing tablets over the counter. Engagement with GP's is also required before a policy could be drawn up. It was suggested that this be added to the agenda for the Commissioning Meeting in June.</p> <p>In the meantime LM would be carrying out a switching programme to switch patients from branded to Invita and would add something to the GP newsletter in the coming weeks. It was also suggested that a message could perhaps be placed on the TV systems in GP surgeries.</p>	LM LM

	It was agreed that JA would invite Rebecca Atchinson to a MMC meeting in February if possible.	JA
16/26	<p>PLT Workshop Presenter Proforma</p> <p>It was agreed that John Miles would be invited to facilitate a PLT workshop in May – AG would liaise with JM to set this up. GB/AG would support this workshop. AG would complete the PLT proforma once arrangements have been agreed with JM.</p> <p>SL would look into the possibility of holding a workshop around diabetes – SL would liaise with Linda Asprey to set this up and SL/PW would support this workshop. SL would complete the PLT proforma after making arrangements with Linda Asprey.</p>	AG SL
16/27	<p>Traffic Light System</p> <p>No Updates.</p>	
16/28	<p>Horizon Scanning</p> <p>January 2016 – LM noted that Alendronate liquid will be coming out and she will be looking into this. ES said that an effervescent tablet, Naproxen, was coming out which will be cheaper than the current treatment which has to be ordered as a special.</p>	
16/29	<p>NICE Guidance</p> <p>No updates.</p>	
16/30	<p>For Information</p> <p>Barnsley APC Ratified Minutes – 11 November 2015 Barnsley APC Ratified Minutes – 9 December 2015 Barnsley APC Memo – December 2015 Barnsley APC Report – December 2015 Doncaster & Bassetlaw APC Minutes – October 2015 Doncaster & Bassetlaw APC Minutes – no update Sheffield Area Prescribing Group Draft Minutes – November 2015 RDASH MMC Draft Minutes – no update Drugs and Therapeutics Minutes – no update</p>	
16/31	<p>Items for APC, Items for Escalation or Additions to the Register</p> <p>None</p>	
16/32	<p>ANY OTHER BUSINESS</p> <p>Next Meeting</p> <p>AG will confirm if she is able to attend. APC meetings are now held jointly with TRFT and will be monthly instead of bi-monthly. AG unable to attend the next APC meeting and agreed to speak to JK to ask if she is able to attend.</p>	
16/33	<p>Date and Time of next Meeting: The next meeting will be held on Wednesday 3 February 2016 from 9.00 am to 11.00am in G.02 Cedar Room, Oak House.</p>	

Agenda Deadline: By close of play on Friday 29 January 2016.
