

Rotherham CCG - Freedom of Information Request CCG544

Request

Please could we request the number of initial consultations by provider for elective surgery in the following areas:

Spinal Surgery
General Surgery
Gynaecology

Orthopaedics split into:

Hand & Wrist
Shoulder & Elbow
Hip
Knee
Foot & Ankle

Please could we also request the number of procedures by provider for elective surgery in the above areas.

Response

We do not hold data at the requested sub-specialty level. Trauma and orthopaedics in the data provided below includes spinal surgery.

The data provided below is all first outpatients and elective spells for the specialties listed. We do not hold data to indicate whether the first outpatients are consultations for surgery.
