The Quality Contract for 2020/21

Lead Executive:	Chris Edwards, Chief Officer
Lead Officer:	Rachel Garrison, Senior Contract Manager (Primary Care)
Lead GP:	Dr Avanthi Gunasekera, SCE Lead for Primary Care

Purpose:

To seek the approval of the Committee for the proposed changes to the Quality Contract for 2020/21.

Background:

The process of updating the Quality Contract began in September 2019; authors of individual standards were asked to submit re-writes to the Quality Contract Task & Finish Group for review. The Task & Finish Group is a multi-disciplinary group of CCG Officers, Practice Managers, Practice Nurses, and GPs.

The draft contract was then sent to the Local Medical Committee for review at their January meeting. Feedback was received at a meeting held 22 January 2020; discussions were positive, and a couple of minor amendments were made.
