Dear Colleague

As you are aware the “Super Six Model” for diabetes care has now been introduced in Rotherham.

We would like to offer your practice support and education regarding the ongoing management of your patients who have Type 2 diabetes.

Diabetes workshops have been planned for: (please see attached flyer for details)

Insulin management
Oral Medications & Sick day rules.

Alternatively we can provide in house training tailored to your practice’s specific requirements.

We have enclosed a questionnaire to help identify your specific requirements.

Please email your completed questionnaire to carol.roebuck@rothgen.nhs.uk or susan.henry@rothgen.nhs.uk or send in the post to the Diabetes Education & Resource Centre, The Rotherham NHS Foundation Trust no later than 30 September 2017.

Yours Sincerely

Carol Roebuck & Susan Henry
