Mental Health First Aid Training in Secondary Schools

Rotherham United have been awarded a grant for the delivery of the following training to staff at the following organisation across Rotherham – secondary schools, schools, colleges and those working with Children and young people.

- 2 x Two day Youth Mental Health First Aid courses for the colleges across Rotherham
- 2 x Safe talk courses – to be delivered to individuals working with children and young people across the borough
- 2 x Youth Mental Health Aware half day courses

Secondary school Training

- 2 x YMHFA Courses - aim to ensure that each secondary schools has at least one staff member trained)
- 1 x YMHFA Champion course for 16 students maximum (one from each school)

Following the training a process will be established to enable the trained teachers and student champions to pass on the information gained to the wider students in their school.
