

Rotherham Children and Young People's Access Data Action Plan

Aim:

By March 202 all Rotherham non-NHS providers within scope will be submitting data via the MHSDS (subject to technical or exceptional limitations) to contribute toward the CAMHS CYP Access Standard

Services in Scope:

- Healios – Autism Diagnostic Assessments
- Rotherham Metropolitan Borough Council (RMBC)
 - Rotherham Therapeutic Team
 - Autism Information and Advice Service.
- Healthwatch Rotherham (HWR) - Young Persons CAMHS Advocacy Service
- Rotherham Parent Carer Forum (RPCF) - Peer Support Service

Action	By Who	By When	Update	RAG
Phase 1				
Identify a lead for each organisation in scope	All in scope	Oct 2019		
Identify representative for each organisation in scope to attend NHSE MHSDS workshop in November	All in scope	Oct 2019		
Ensure MHSDS requirements are contractually agreed with Healios	RCCG	Oct 2019		
Explore whether RMBC could support VCFS organisations in scope (buddy)	RCCG	Nov 2019		
Clarify which CYP MH services are already submitted already to MHSDS for the 0-5 age group	RCCG	Nov 2019		
All organisations in scope to attend NHSE workshop	All in scope	Nov 2019		
Post NHSE workshop de-brief for all services potentially in scope	RCCG	Nov 2019		
Phase 2				

Rotherham Children and Young People's Access Data Action Plan

Complete an 18-25 age group and 0-5 age group scoping exercise to inform LTP CYP access expansion requirements	RCCG	Dec 2019		
All services in scope to develop mobilisation plans submitted to RCCG	All in scope	Dec 2019		
Phase 3				
Day One reporting from new services (Healios)	Healios	Dec 2019		
Delivery of mobilisation plans and monthly update to RCCG on progress	RMBC	Jan 2020		
	RPCF & HWR	Feb 2020		
Identification of further actions for the 0-5 and 18-25 age groups once scoping exercise complete	RCCG	Jan 2020		
Data Quality Checks	All in scope	Feb 2020- Mar 2020		
All non-NHS providers submitting to MHSDS	All in scope	Mar 2020		

Risk	Mitigation
Services are ruled out of scope	De-brief meeting following Nov workshop to clarify and check which services are in scope. Scoping of 0-5 and 18-25 age group MH services
Technical or cost barriers identified during mobilisation	Process for escalating barriers to implementation to be established
RCCG commissioning priorities for 2020/21 contracting round may change.	Write requirements to submit to MHSDS into new contracts
Data submissions in March 2020 may not include retrospective data	Consolidation of retrospective data to be undertaken by all in-scope services
Data quality is poor	Data assurance to be undertaken by all in-scope services
