

INSULIN PEN DEVICES GUIDE

TOP TIPS:

- Prescribe/use different colour of pen device for each type of insulin
- Prescribe one spare device for each type of insulin used (as replacement in emergency)
- Add “**to be replaced by date**” within dosage instructions to **multiple-use pen** devices
- All pen devices below are compatible with GlucoRx CarePoint or CarePoint Ultra pen needles (cost effective option) or any other brand of screw-on insulin pen needles
